X OUTSIDE CORNER LAP TRIM

USAGE

Fry Reglet FCP X Corner Lap Trim creates a stepped edge and creates a crisp corner for lap siding at the right angle corner where lap siding meets. The trim design eliminates the need to miter cut the panels while also mitigating the panel below.

GUIDE SPECIFICATION

Where indicated on drawings, Fry Reglet X Corner Lap Trim, as manufactured by Fry Reglet Corporation, shall be installed. Aluminum shall be extruded alloy 6063 T5, with primed finish, clear anodized or other specified finish. Refer to finish section.

NOTE: Attach panel in accordance with the manufacturers fastening schedule. Not to be used in horizontal applications
